

NOVATEX is our textured white line paint. The sharpest and most attractive lines result from the hand application of Novatex between two strips of masking tape. Novatex lines are brilliant, sharply defined and add a great deal to the overall appearance of the tennis court. The lines are “the frosting on the cake”.

An additional advantage of lines done with Novatex is shots landing on the Novatex line will not skid as they might on other line paints. Rather, they’ll have the same true bounce as those shots landing anywhere else on the Novacrylic surface.

We have formulated Novatex from the highest quality titanium white pigments designed for maximum durability and intensity. Enhanced with optical brighteners, Novatex provides maximum hiding, extreme whiteness, non-skid properties, and easy application with masking tape.

NOTE: Seal-A-Line before application of Novatex is recommended

DILUTION	Use NOVATEX undiluted
SPREADING RATE	1 gallon per court
COLOR	White. Colored NOVATEX available upon request
PACKAGED QUANTITY	1 gallon pail, 1 gallon squeeze bottle, 5 gallon pail, 30 gallon container
WEIGHT	12 lbs per gallon
<p>Minimum Application Temperature is 50°F and rising. Application is with a brush or roller. Novatex is not hazardous* and is free of lead, mercury, asbestos and formaldehyde.</p>	

* According to standards in place at the time this document was created, this product is rated non-hazardous
